

ICIMSP 2027

ICIMSP 2027 is a premier international forum for researchers, academicians, industry experts, and students to present and discuss advancements in intelligent systems, machine learning, signal processing, embedded technologies, and related interdisciplinary domains.

The conference fosters innovation and collaboration through keynote talks, technical sessions, industry panels, and networking opportunities, addressing emerging challenges and future research directions.

ODISHA UNIVERSITY OF TECHNOLOGY AND RESEARCH

Odisha University of Technology and Research (OUTR), established in 2021 by upgrading the College of Engineering & Technology, Bhubaneswar through the OUTR Act, 2021. It is a leading state government institution committed to excellence in technical education, research, and innovation, serving as a hub for advanced technological development.

ICIMSP 2027 REGISTRATION

Registration Fees (Inclusive of 18% GST)

CALL FOR PAPERS

ICIMSP 2027 focuses on innovation at the intersection of intelligent machines, autonomous systems, and advanced signal & image processing.

Conference Tracks

Track 1: Intelligent Machines & Autonomous Systems

- ❖ Robotics, Mechatronics, and Autonomous Systems
- ❖ Intelligent Control and Human–Machine Interaction
- ❖ AI for Automation and Decision-Making
- ❖ Cyber-Physical Systems and Industry 4.0
- ❖ Smart Manufacturing, Digital Twins, and IIoT

Track 2: Signal Processing, Computer Vision & AI Applications

- ❖ Signal, Image, and Video Processing
- ❖ Computer Vision and Pattern Recognition
- ❖ Deep Learning and Explainable AI
- ❖ Biometrics and Intelligent Perception Systems
- ❖ Medical Imaging, Remote Sensing, and Smart Applications
- ❖ Edge and Embedded AI Systems

Track 3: Intelligent Communication, Computing & Hardware Technologies

- ❖ Wireless Networks, 5G/6G, and IoT
- ❖ Intelligent Communication and Network Security
- ❖ Computational Intelligence and Machine Learning
- ❖ Edge, Cloud, and Quantum Computing
- ❖ VLSI Design, Embedded Systems, and AI Hardware
- ❖ Smart Sensors and Intelligent Technologies
- ❖ Blockchain-enabled Intelligent Applications

PROCEEDINGS & INDEXING

All the accepted and presented papers will be submitted for publication with Springer LNCS / CCIS (**Subjected to Final Approval**). Conference Proceedings will be abstracted and indexed in DBLP, Google Scholar, EI-Compendex, Mathematical Reviews and ISI Proceedings.

IEEE

International Conference on Intelligent Machine & Signal Processing (ICIMSP 2027)

1–3 July 2027, Bhubaneswar, Odisha – Hybrid

Odisha University of Technology and Research (OUTR)
Bhubaneswar, Odisha, India

ORGANIZING COMMITTEE

Chief Patron
Prof. Bibhuti Bhusan Biswal
Vice Chancellor, OUTR

General Chair
Prof. Yudong Zhang
School of Computing and
Mathematical Sciences,
University of Leicester, UK

Conference Convenors

Prof. Tapas Kumar Patra
School of Electronic Sciences
Odisha University of Technology and
Research, Bhubaneswar, India.

Prof. Jibitesh Mishra
School of Computer Sciences
Odisha University of Technology and
Research, Bhubaneswar, India.

Prof. Sushanta Kumar Sahu
School of Electronic Sciences
Odisha University of Technology and
Research, Bhubaneswar, India.

International Advisory Committee

- Prof. Md Fazley Rafy, West Virginia University, USA
- Prof. Turgay Celik, Centre for Artificial Intelligence Research (CAIR), University of Agder, Norway
- Prof. Ruppa Thulasiram, Computer Science, University of Manitoba, Canada
- Prof. Sanjib Kumar Panda, National University of Singapore (NUS), Singapore
- Prof. Lalit Goel, Nanyang Technological University (NTU), Singapore
- Prof. Gautam Srivastava, Department of Mathematics & Computer Science, Brandon University (BU), Manitoba, Canada
- Prof. Chanchal Roy, Department of Computer Science, University of Saskatchewan, Canada

National Advisory Committee

- Prof. Aurobinda Routray, Professor, IIT Kharagpur
- Prof. (Dr.) Raja Datta, Ex-Professor, IIT Kharagpur
- Dr. Debi Prasanna Kanungo, CSIR-Central Building Research Institute (CBRI), Roorkee
- Hare Krishna Ratha, Advisor, IEEE Computer Society Bhubaneswar Section
- Dr. R. K. Panigrahi, Professor, IIT Roorkee
- Dr. P. Sumathi, Professor, IIT Roorkee
- Prof. K. P. Ray, Professor of Practice, IIT Gandhinagar
- Prof. Padmalochan Bera, IIT Bhubaneswar
- Prof. Manoj Tripathy, Indian Institute of Technology Roorkee
- Dr. Anurag Singh, IIIT, Naya Raipur
- Dr. Debanjan Das, IITKGP
- Dr. Dipankar De, IIT Bhubaneswar
- Dr. Siba Shankar Padhy, IIIT Darward
- Dr. Chandrasekhar Perumalla, IIT Bhubaneswar

ADDITIONAL ACTIVITIES

- Hands-on workshops (AI imaging, edge computing, etc.)
- Poster presentations and competitions
- Networking sessions

Transport

Bhubaneswar is well connected by air, rail, and road to major cities across India. Biju Patnaik International Airport offers direct flights to New Delhi, Kolkata, Mumbai, Hyderabad, Bengaluru, and Chennai. The city is also the headquarters of the East Coast Railway, ensuring strong rail connectivity.

Odisha University of Technology and Research (OUTR) is centrally located near Khandagiri Square, a well-known landmark in the city.

Accommodation

Bhubaneswar offers a wide range of accommodation options to suit all budgets, including luxury hotels, business hotels, guest houses, and budget lodges. Popular choices include Mayfair Lagoon, Trident Bhubaneswar, The Crown Bhubaneswar, and Ginger Bhubaneswar, along with several affordable options near the conference venue.

Food

Working Lunch and High Tea will be provided throughout the event.
